

Europass Curriculum Vitae

Personal information

First name(s) / Surname(s) **OLGA RYASNAYA**
 Address(es) M. Lushpi Str., 57, apt. 5, 40009, Sumy, Ukraine
 Telephone(s) Mobile: + 38 099 7027772
 Fax(es)
 E-mail olgar5062017@gmail.com
 Nationality Ukrainian
 Date of birth 06.10.1963
 Gender Female

Current employment / Occupational field

**senior lecturer of the Department of Energy and Electrical Engineering Systems of the Sumy National Agrarian University/
Head of the trade union committee of the Faculty of Engineering and Technology**

Work experience

Dates	09.2001 till now
Occupation or position held	assistant of the department of design of technical systems (09.2001 - 09.2013); senior teacher (09.2014) of the Department of Design of Technical Systems; senior lecturer (09.2015 - 08.2025) of the Department of Energy and Electrical Engineering Systems.
Main activities and responsibilities	Research activities in the field of alternative energy sources.
Name and address of employer	Sumy National Agrarian University, 160 Kondratieva Street, Sumy, 40012, Ukraine
Type of business or sector	Higher educational institution (agricultural sector)
Dates	09.2015 till now
Occupation or position held	(09.2015 - 08.2017) senior lecturer of the department of electrical engineering systems in the agricultural industry and physics, (09.2017 - 08.2019) senior lecturer of the department of electrical engineering systems, (09.2020 to the present) senior lecturer of the department of energy and electrical engineering systems of the Faculty of Engineering and Technology.
Main activities and responsibilities	Educational and scientific activity in the field of agricultural energy: "Development of methods, energy complexes and systems of industrial and agricultural facilities. production using fields of different physical nature".
Name and address of employer	Sumy National Agrarian University, 160 H. Kondratieva Str., Sumy, 40021, Ukraine
Type of business or sector	Higher Educational Institution (Agricultural Sector)
Dates	09.2020 to the present
Occupation or position held	Senior lecturer (09.2020 and until now) of the Department of Energy and Electrical Engineering Systems of the Faculty of Engineering and Technology.

Main activities and responsibilities Teaching and research activities in the field of energy: "Development of methods and energy complexes and systems of objects of industrial and agricultural production using fields of different physical nature".
Head of the scientific student group "Electric machines (alternative energy sources)".

Name and address of employer Sumy National Agrarian University, 160 H. Kondratiieva Str., Sumy, 40021, Ukraine

Type of business or sector Higher Educational Institution (Agricultural Sector)

Education and training

Dates 09.1987-06.1992

Title of qualification awarded Electronics engineer.

Principal subjects/occupational skills covered Industrial electronics.

Name and type of organisation providing education and training Sumy Physical and Technical Institute of Kharkiv Polytechnic Institute named after V.I. Lenin of the Sumy branch, Ukraine.

Level in national or international classification Dipl. Eng. (institute);
09.2024 candidate for master's degree in specialty 141 "Electric power engineering, electrical engineering and electromechanics".

Social skills and competences I have experience working in a team within the framework of international educational and scientific developments.

Organisational skills and competences	<p>Responsible for the organization of scientific exhibitions of departments of the Faculty of Engineering and Technology. Organizer of student exhibitions.</p> <p>Head of the trade union committee of the Faculty of Engineering and Technology, member of the SNAU trade union committee. Member of the Academic Council of the Faculty of Engineering and Technology.</p> <p>Responsible for career orientation work at the Department of Energy and Electrical Engineering Systems.</p>
Computer skills and competences	Fluent computer skills. Competent with most programs.
Artistic skills and competences	<p>To develop students' critical thinking in the process of studying technical disciplines.</p> <p>To form life competencies of the individual in the process of preparing bachelors and masters.</p> <p>To form professional competence as a factor in the competitiveness of university graduates and future specialists.</p>
Driving licence	
Additional information:	09.2012 member of the SWAY ballroom dance team (participation in university events, performances)
